

2009 HOLIDAY DIRECTORY
Presented by
Volunteer Center Orange County
And
2-1-1 Orange County

It's Holiday Directory time! Volunteer Center Orange County and 2-1-1 Orange County are pleased to collaborate on the 2009 Holiday Directory, a comprehensive guide to volunteer opportunities, holiday services, and agency wish lists, offered to the community during the holiday season.

We are fortunate that our nonprofit community comes together to make the holiday season brighter for families in need. It is especially important during these tough economic times. The Holiday Directory is filled with both services for those in need and volunteer opportunities for those who want to give back to their community during the holiday season. The 2009 Holiday Directory can be downloaded on the Volunteer Center Orange County Web Site, and volunteers can register and sign up online.

We hope you will share your organization's volunteer opportunities, holiday services, and wish lists so they can be included in the 2009 Holiday Directory. Please complete the registration form and email to Amy Schurman at holidaydirectory@volunteercenter.org.

Holiday Directory Checklist:

- Complete the 2009 registration form
- Email the form to Amy Schurman by Thursday, October 22, 2009
- Contact volunteers who sign up online
- Contact Amy Schurman when project or services are full

We look forward to showcasing your services and volunteer opportunities in the 2009 Holiday Directory.
